

Manual

Retractable

Manual screen with many assets.

Treated canvas for a perfect image, black borders, extradrop for better contrast, a black-out back you can set in front of a window : the Capitol Premium features all the qualities a manual screen should have. To roll it back up, you simply have to release it and the canvas raises completely and gently thanks to advanced SSR technology.

The quick and safe adherence system allows the user to mount it to the wall or ceiling or to hang it. The installation system allows great flexibility in setting in the support points : a considerable asset when installing a screen in challenging conditions.
