

Entry point in the Lumene motorized screen line, the Embassy 2 comes at a very friendly price and yet it is also a very complete motorized screen option. It offers remarkable performance and features not normally found in screens at this price point : integrated infrared remote control, remote control sensor included to allow you to install the screen in a case, a lacquered aluminium case, black-out back so you can place it in front of a window, black borders and extra-drop for better contrast, and a canvas treated for perfect color fidelity. This screen is ready to plug in, and it is easy to install it on the ceiling or on the wall.

Specifications

Screen material

High quality LUMENE screen material
PVC WMat-ST
Gain 1.0
Directivity 150°
No hot spot
Permanent white and anti-static treatment
No corrugated effect
