

3D projection surface.

Featuring a higher gain of 2.0 and gray color, this canvas offers high contrast and high quality image thanks to the best possible luminosity. With the technology featured in the Movie Palace Premium 3D, you can now enjoy rich colors thanks to highly pronounced contrast. Enjoy high definition with a canvas that is adapted for 3D projection, reproducing precise and exceptionally vivid images, even in relatively bright environments.

The Movie Palace Premium 3D is undoubtedly the best choice for your dedicated screening room.

Perfect tension

Easy to install

Velvet frame

Fast and safe clipping system

Specifications
