

PULSE SOUNDBAR 2i

Wireless Streaming Sound System

STREAM YOUR SOUNDTRACK WITH ALL THE FEELS. The PULSE SOUNDBAR 2i delivers a fully immersive sonic experience that brings every soundtrack to life in vivid, cinematic detail. Designed to fit perfectly under your HD or 4K TV, the PULSE SOUNDBAR 2i is the world's first multi-room high-res soundbar to feature crystal clear, 24-bit resolution sound and audiophile-grade bass response – without a subwoofer. Stream movies, games and sports in true high fidelity. This is the soundbar your TV deserves.

SURROUND YOURSELF WITH SOUND. Whether it's the thunder of an explosion or the sharp, snap of a snare drum, the PULSE SOUNDBAR 2i allows you to create the most advanced Dolby Digital Surround system by adding a PULSE SUB and a pair of PULSE FLEX 2i speakers as dedicated rear channels, for every lush detail. Bluesound's first-ever wireless surround system turns your music, movies, sports, concerts and video games into a fully immersive sonic experience that delivers high on emotion.

RULE YOUR SONIC DOMAIN. The PULSE SOUNDBAR 2i now includes an HDMI ARC input to make controlling your audio entertainment more seamless than ever. AirPlay 2 is now built-in for easy integration into the Apple ecosystem, making the PULSE SOUNDBAR 2i the most complete home theater centrepiece. Bluetooth performance is also seriously stepped up with native support for aptX HD and the ability to transmit studio quality music to Bluetooth headphones and speakers. High-end DAC technology built into every Bluesound player can decode and stream MQA files in all their lossless glory.
